

### AERO DESK 1 / AERO DESK 2

Both these useful desks have elegant aerofoil end panels (hence the name) supporting a slim desktop. On one, a drop-down drawer is just the right size for your laptop and it has a cable entry grommet at the rear. The other has its drawer element suspended beneath the top.

Spalted Beech & Walnut.

app 100cm x 45cm x 80cm high.

Guide price: £850 to £1000

### ALBERT REFECTORY TABLE

Seating eight in comfort this refectory table makes a bold statement in any room. The top features an insert, here in Yew, under a toughened glass top. This is not only very decorative but also allows hot dishes to be placed safely upon it. The legs are solid Oak but blackened to give a distinctive appearance. The table shown has a top made from Beech but Cherry and Ash tops have also been made.

220cm x 86cm x 76cm high.

Guide price: £2200 to £2800

### ALEXIS 180 SIDEBOARD

Based on my elegant Alexis design this significant piece of furniture is made from rippled Ash with feature Spalted Beech side doors and it sits on a Walnut stand. Specially commissioned, the drawers have simulated wrought iron knobs and run on smooth soft closing steel runners.

The front has been made from selected timbers so that, although the centre drawers are in a different timber to the others, the grain pattern flows across the whole piece.

180cm x 52cm x 85cm high.

Guide price: £1800 to £2300

### ALEXIS 60 BEDSIDES

Variations of the Alexis design can also be used as occasional furniture. Some have been made for CD storage or as bedside cabinets normally around 65cm high.

Guide price: £600 to £750

### ALEXIS 74 TV CABINET

An art deco inspired cabinet to lift your TV slightly higher than usual (74cm – hence the name) leaving a shelf for ancillary gear. Handsome legs and brilliant Birds Eye Maple finish the picture.

App 105cm x 45cm x 74cm high.

Guide price: £1700 to £2000

### ALEXIS CABINETS

The Alexis design with its high and wide shoulder lines is one of the most popular and the pictures show variations on the basic design. Each one will be different from the next but all will retain that essential character.

app 50cm x 60cm x 85cm high.  
(further variants available)

Guide price: £950 to £1100

### ALEXIS 85 SIDEBOARD

This further development of the Alexis design shows the cupboard section pushed closer to the floor to increase the usable space. The picture shows it with conventional cabinet pulls.

app 85cm x 45cm x 85cm high.

Guide price: £1100 to £1300

### ARISA DESK

The clever design of this desk addresses the issue of working while standing. When closed it is at the right height for conventional seated work but the gas-strut assisted linkage allows it to be easily raised and locked at standing height.

app 110cm x 45cm x 76/110cm high.

Guide price: £2000 to £2500

### ASHIOSO TV CABINET

A substantial cabinet for those who want their TV to stand higher than usual. The simple elegant design uses a combination of curves to soften what could otherwise be a 'box-like' piece of furniture. The doors are 'push to open' and feature some beautifully figured Spalted Beech while the lighter coloured Ash reduces the apparent size.

120cm x 45cm x 65cm high.

Guide price: £2000 to £2200

### BALZAC CUPBOARD & SIDBOARD

These traditional dining room pieces have fielded panels on the doors and sides while the drawers are elegantly shaped to add interest and light to these pieces.

app 90cm x 45cm x 80cm (cupboard); 180cm long (sideboard).

Guide price: £1400 to £1800 (C'bd)  
and £2000 to £2500 (S'bd)

### BALZAC DRINKS CABINET

The Balzac Drinks Cabinet was first made as part of a suite of furniture designed to match other pieces in the owner's home.

It is made from Oak with the upper display part lined in Ash to lighten the interior. Optional LED lighting can be fitted as well as a pull-out serving shelf. The doors are glazed with toughened glass attractively bevelled.

90cm x 45cm x 180cm high.

Guide price: £2000 to £2400

### BARILLO CUPBOARD

This demi-lune cupboard is redolent of mid 20th century design which is finding a resurgence in many homes. The main feature is the reeded surface precision-cut directly into the solid oak. The single door reveals a spacious cupboard with an adjustable shelf.

app 90cm x 45cm x 80cm high.

Guide price £1600 to £1900

### BOOK TABLE

A coffee table made to look like it is standing on a pile of books –always a talking point! And they can be re-arranged to some extent if you wish. This one is topped in Spalted Beech while the 'books' are made from Cherry and Maple.

app 55cm x 45cm x 42 cm high/

Guide price: £850 to £1100

### BAROLO CHEST

With its curved sides and matching legs this chest is very much barrel-shaped. Stunning Burr-Elm panels front and top finish it perfectly.

app 50cm x 42cm x 90cm high.

Guide price: £1250 to £1500

### BETTY CHESTS – 1, 2 & 21

These useful chests, each one subtly different from any other look good in any home. They can be made with three or four drawers and can be configured for a variety of uses. The curved sides are normally Ash or Oak while a distinctively patterned timber is usually chosen for the front and top.

48cm x 48cm x 80cm high.

Guide price: £800 to £1100

### BEAUMONT SIDEBOARD

Simple in design but very difficult to make sums up this sideboard. Made from Beech and composite materials it can be finished in the colour of your choice. The five drawers run on smooth bearings and along with the cupboard doors have soft-closure as standard.

app 180cm x 55cm x 65cm high.

Guide price: £3000 to £3600

### CAMALA CHEST

Derived from the established Alexis shape this design continues the curved line lower to make way for deeper drawers. Modern push-to-open runners mean that the natural woodgrain of the front panel is unobstructed.

85cm high.

Guide price: £1100 to £1350

### CAVRAIS CHEST

Based firmly on art deco designs this elegant chest has three drawers housed within its curved and tapering body and will grace any room.

This one is made from Birds Eye Maple throughout adding to its contemporary appeal while still reflecting a period elegance.

78cm x 41cm x 61cm high.

Guide price: £1300 to £1500

### CELTIC KING HEADBOARD

This striking headboard carries an inlaid Celtic Knot to acknowledge the owner's heritage. With its impressive size, the curves and adornment it is indeed fit for a king's bed! Made from Oak, the darker panels have been 'fumed' to turn them almost black and enhance the natural texture of the wood. The curved laminations at each end carry coloured stripes to match other furniture in the room.

Guide price: £1800 to £2200

### CHILIGIA COFFEE TABLES

These sturdy but elegant side tables have a concealed push-to-open drawer – just right for the TV remote. Rich dark Cherry wood with burr-elm facings add to their charm.

app 60cm sq. X 50cm high.

Guide price: £800 to £950 each.

### CHILIGIA TV UNIT

The warm glow of Cherry timber shows off this piece to perfection while the use of Burr Elm on the doors adds interest and contrast.

This unit is designed to house your hi-fi equipment and can be made to match your speaker cabinets if desired. Clever devices at the rear keep all connecting cables neat and out of sight.

160cm x 56cm x 45cm high.

Guide price: £2000 to £2500

### DIANA BEDSIDE

The nine gently curved staves of this table form a helix around a wooden ball set at the heart of this table. Each stave is laminated from Spalted

Beech and a contrasting coloured wood (Wenge, Tigerwood and Padauk). They are set on a Spalted Beech base. The top is toughened glass with a smooth polished edge.

50cm dia. x 60cm high.

Guide price: £600 to £750

### DUSKY DRESSING TABLE

In beautiful American Black Walnut, this dressing table would enhance any bedroom.

The subtle curved front and sides are complemented by the slender tapering legs. Of course, the drawers close themselves gently and quietly so not to disturb the ambience. Mirror and Stool can be made to match.

app 150cm x 45cm x 76cm.

Guide price: £2800 to £3200

### EBONY DEMI-LUNE

Not made from real Ebony of course – that's a protected species but the next best thing – walnut carefully stained to a warm black. The reeded surface can be clearly seen and reflects the light so this chest appears lighter and smaller than it really is.

app 85cm x 42cm x 85cm high.

Guide price: £1800 to £2200

### ESCRIT OAK TABLE

Simply elegant in prime quality Oak and with a single drawer this desk has subtle highlights which add to its charm.

app 75cm x 36cm x 76cm high.

Guide price: £1300 to £1600

### GOBLET SIDE TABLES

From 55cm to 75cm high, the Goblet will sit happily next to your chair and provide a convenient place for your drink. Whatever wood you want them made from they will be an attractive addition to your home.

Guide price: £200 to £240

### GRIGIA HALL TABLE & STOOL

Designed to fit within a contemporary setting the elegant grey legs (made from Ash but coloured) blend well with the light Ash shelves. A really useful piece!

app 60cm x 45cm x 110cm high.

Guide price: £800 to £1000  
(stool £250 to £300)

### HALO 2 SIDEBOARD & HALO CUPBOARD

Designed as a pair with matching handed marquetry on the doors these pieces sit side by side to house HiFi equipment. Many different timbers were incorporated within the design and no two will ever look quite the same.

app 85 x 40 x 70cm and 42 x 35 x 70cm.

Guide price £1500 to £1800 / £1100 to £1400

### HARMONIA CONSOLE

A truly elegant but simple dressing table in rippled Sycamore with Walnut details. The gently tapered legs are highlighted with the narrowest of Ebony inserts.

100cm x 36cm x 80cm high.

Guide price: £1200 to £1600

### HARLEQUIN TABLE

A very useful coffee table responsibly made from small pieces of rare Walnut which would otherwise be thrown away. The curved pierced legs add style to this simple piece.

app 45cm x 35cm x 42cm high.

Guide price: £280 to £360

### HORIZON CABINET

Reflecting the style of art deco this cabinet combines spacious capacity with a timeless elegance. The push-to-open doors sit on precision hinges just visible in the corners.

100cm x 30cm x 90cm high.

Guide price: £1500 to £2000

### QUORICA GATELEG TABLE

A traditional table brought up to date with elegantly curved legs inlaid with bright red Bubinga timber. Tables like this one can be made to suit the space you have with the option of a traditional Rule Joint or more modern piano hinge.

table shown 120 x 180 (60 closed) x 74cm high.

Guide price: £1800 to £2200

### JOHN'S ROCKER

High in the back and gently contoured across the seat this impressive rocking chair is very comfortable. The individual steam-formed slats bend slightly as you sit on them to provide extra comfort while the extended rear rockers give added security. This rocker is made in blond Ash with the darker highlights in Wenge.

106cm high x 60cm wide.

Guide price: £1500 to £2000

### KATE DISPLAY CABINET

This impressive display cabinet is a fusion of art deco and oriental designs with its gently curving sides and pagoda-like overhangs at both stages. At a practical level adjustable shelves in both parts give the cabinet a generous storage capacity. There is also the optional element of a concealed drawer to hold special treasures!

90cm x 42cm x 175cm high.

Guide price: £3000 to £3600

### LAMP TABLE

Solidly traditional in concept these small tables are made from Chestnut to match some existing furniture. Each has a useful drawer and a smooth satin finish.

app 50cm x 50cm x 55cm.

Guide price: £700 to £800 each

### LINER COFFEE TABLE

This distinctive coffee table is highlighted with inlaid boxwood lines on the top and the shelf.

Guide price: £500 to £650

### LOFTWELL CORNER CABINET

A modern take on a traditional design this cabinet has crisp lines while still blending with its more senior neighbours. This cabinet has two forms of internal lighting and has a mirrored back. The door is glazed with toughened glass attractively bevelled.

app 65cm x 65cm x 195cm high.

Guide price: £2800 to £3500

### LIANA BED

This king size bed features state-of-the-art laminated bedsprings for firm comfort and it matches the Liana Chest. In Ash with contrasting Lacewood inserts.

app 150cm x 200cm.

Guide price: £1600 to £2000

### MALVERN CABINET

This contemporary cabinet is finished in sleek figured Eucalyptus which gives a textured grey finish to the piece. That shown (top) is configured for specialist AV equipment but it could be made for more conventional use.

115cm x 55cm x 50cm.

Guide price: £1200 to £1500

Matching Hall cupboard

app 95cm x 55cm x 45cm.

Guide price: £1100 to £1400

### M CHAIR

Based on the traditional Mackintosh design these magnificent chairs have been brought up to date in both style and comfort. The contoured back panels are laminated to a back-conforming curve while the soft seats are an added comfort. I would relish the opportunity to make another set in Walnut!

Guide prices: In Ash or Maple; £600 to £800 each, in Walnut £680 to £900 each. Table £2200 to £2800

### MODERNA CONSOLE

This console table is made of Sycamore, an almost white wood which contrasts strongly with the ebonised legs. It is relieved with the horizontal series of stripes around the top which hide a push-to-open drawer.

app 100cm x 30cm x 78cm.

Guide price: £800 to £950

### NE7 BED

Gain really useful storage space under this comfortable bed. The twin gas-strut mechanism balances the weight of the mattress to provide easy access to the under bed space which is clear of any obstructions.

Up top, the sprung slats provide a firm base for the mattress of your choice. Lean back against the padded headboard which houses three concealed storage spaces.

This one is 5ft wide and in Walnut with Wenge details.

Guide price: £2500 to £3000

### OMEGA CONSOLE

This series of console or hall tables are all based on the looped pedestal form which is made from many laminations of Ash. Although finished in black, the grain of the wood shows through. The Omega is a statement piece and is normally set at the focal point of a room.

Guide price: £950 to £1500

With Drawer £1100 to £1500

### MINI OMEGA CONSOLES

Based on the original full size Omega Table this pair would look good flanking an important doorway or *objet d'art*. Decorative top on an ebonized ash laminated pedestal.

app 60cm x 18cm x 70cm high.

Guide price: £700 to £850 each

### OPERA CHAIR

A long curved back is a strong feature of this comfortable chair. This one is made from Maple with a Birds Eye Maple back and Walnut highlights.

Dimensions app 45cm wide, 88cm high and 42cm (seat).

Guide price: £650 to £850

### PHOENIX ARMOIRE

Commissioned to be made from the timber from a single Walnut tree blown down in a gale this is truly a heritage piece. The cupboard doors show clearly the lighter sapwood of the living tree against the darker heartwood. This one can never be totally replicated but similar re-makes are, of course, very possible.

app 95cm x 45cm x 180cm.

Guide price: £3800 to £4500

### QUATTRO TABLES

These elegant coffee tables in Walnut really show off the amazing grain of this wood. They can, of course, be specially made for you in different timbers.

60cm x 60cm x 42cm high.

Guide price: £440 to £520 each

### ROSANNA CHAIR

Elegant and robust, the Rosanna chair is also comfortable due to the gently curved backrest and contoured seat. These chairs can be made from almost any timber combination chosen for a good colour combination.

Guide price: £650 to £850

### ROSE CABINET

This useful cabinet has many traditional features. Figured Oak was specially selected for the doors to show off the beauty of this wood. It is finished off with solid brass fittings.

100cm x 45cm x 150cm high.

Guide price: £2000 to £2400

### RUBRA HALL TABLE

Even the narrowest of hallways could accommodate this slim elliptical console table. In shimmering rippled sycamore and with a figured Bubinga frieze this table also has a useful drawer.

app 90cm x 35cm x 82cm high.

Guide price: £800 to £1100

### SALICE CHAIRS

Salice is a range of unusual chairs which have been made as diners, carvers and stools. The asymmetrical backs are handed and normally come as pairs, left and right. The seat panels are moulded by hand to a comfortable contour. Shown here are some in dark Cherry and another in lighter Maple.

Guide prices: £750 to £900

### SARUM TABLE

The simple but elegant Sarum table features a single drop leaf and was designed for a specific location. It could, of course, be made so that both ends will fold down. A sliding carriage mechanism under the table keeps the leaves up while the twin pillar design means that there is plenty of leg room underneath. This one is in light Oak with Sycamore inserts.

154cm (up) x 90cm x 75cm high.

Guide price: £1300 to £1600

### SAPIENS DESK

This attractive home office desk incorporates several useful features like a printer drawer and a suspended filing system. The top space is sized so that a laptop computer will fit within it and there is cable access there too. Pull-out flaps enlarge the space on the desk top and a hidden drawer can be fitted for secret items! The desk shown is made in Oak with figured Bubinga highlights.

130cm wide x 62cm deep; 75cm to desktop, 105cm overall.

Guide price: £3500 to £4600

### SCAFO DINING TABLE

The legs of this table were inspired by the overlapping design of a clinker-built boat and are reversible so they can point 'toes in' or 'toes out'. The top is highly polished Maple sealed for durability and with a panel of figured Bubinga.

app 180cm x 98cm x 76cm high.

Guide price: £1800 to £2500

### SCHOONER

Tall and elegant like a sailing ship this series of tables reflect art deco style. As many variants as you can imagine!

app 45cm x 35cm x 75cm high.

Guide price: £280 to £360

### SCRIVOTTO DESK

This desk features twin legs with Walnut 'boots' and curved galleried ends making a stunning visual statement. The drawer fronts are in Walnut.

app 130cm x 45cm x 76cm high.

Guide price: £1250 to £1600

### SENIOR CHEST OF DRAWERS

Seven graduated drawers make this art deco inspired piece practical as well as useful. In Beech and Walnut it makes a significant presence in any room.

app 85cm x 45cm x 150cm high.

Guide price: £1800 to £2200

### SETTLE

Somewhere to sit while you pull off your Wellingtons and then three spacious drawers to put them in. What better welcome could there be?

app 100cm x 50cm x 45cm high.

Guide price: £1100 to £1300

### SHORTS DRINK STANDS

In solid walnut these elegant stands are equally at home holding a drink or a vase of flowers. Just right for each end of the sofa.

app 28cm dia x 55cm high.

Guide price: £200 to £240 each

### SIAN COCKTAIL CABINET

This impressive cabinet has ample capacity for drinks bottles and glasses while the illuminated upper part opens for dispensing them. This one is in Walnut and Birds Eye Maple. The graduated drawers are divided internally for storage and run on smooth steel glides.

app 1250cm x 55cm x 1350cm high.

Guide price: £4500 to £5500

### SILKWHEEL TABLE

This circular table will seat six in comfort. The tactile top surface is rippled Maple finished to a marble-like smoothness. The central disc is Yew chosen for its characterful grain and openings under toughened glass.

130cm diameter x 74cm high.

Guide price: £1700 to £2000

### SONARA TV UNIT

A popular way to experience really good sound quality from today's HD video broadcasts is with a soundbar. Unfortunately these things are not particularly attractive so this cabinet's purpose is to hide the soundbar away when not in use.

The mechanism was designed and made to do this using a pair of simple gear trains. To deploy the soundbar the drawer front is lifted and pushed inwards. As you do this, the shelf holding the soundbar is pushed forwards. Pushing it back in again closes the drawer. This is all housed in an elegant cabinet which can be made to reflect other pieces in your room.

Guide price: £3000 to £3400

### STRETTA DROPLEAF TABLE

When closed this table is narrow enough to fit the smallest room but open will seat six in comfort – eight if you're friendly. The base with its curved stretchers and split plinths add much style.

app 40/90cm wide x 150cm x 76cm high

Guide price: £1500 to £1800

### SUE BEDROOM SUITE

This bedroom suite is totally panelled top and front in Burr Elm which is a most sought-after variant of the Elm tree and works well with the art deco inspired design.

app 60cm x 42cm x 85cm (bedside).  
120cm x 44cm x 85 cm (chest).

Guide price: £600 to £800 (bedside)  
£1800 to £2000 (chest)

### SUE DRESSING TABLE

This very customised bedroom suite is made from Oak with highly figured Burr Elm facings. The drawers are on soft-close metal runners. This dressing table has velvet lined drawer and tessellated top in Burr Elm & Lacewood.

Matching bedside cabinets and large chest of drawers also available.

Guide price: £1500 to £1800

### THRONE FOR A GARDEN

A piece of outdoor fantasy which will certainly catch the eye. It is as large as it is fantastic and most will have their feet dangling above the grass when they sit on it. Just an example of what can be made to depart from the 'norm' for garden benches.

app 220cm long, 200cm high, seat 50cm high.

Guide price: £3500 to £5000

### TOMTOM SIDE TABLES

Long slender legs and neat cross-pieces support a top just right for a glass of something or, for more sober souls, a vase of flowers. These have tops in Zebrano but any decorative wood will look good here.

app 20cm sq. x 55cm high.

Guide price: £150 to £150

### TRESTLE DESK

A quirky little desk in Walnut with Birdseye Maple drawer fronts the trestle design of the base makes this a firm favourite.

app 90cm x 45cm x 76cm high.

Guide price: £900 to £1100

### TRIUNITA CONSOLE

This striking but elegant design is a development of my Omega table. It can be made with or without a small key drawer.

Triunita Console in Spalted Beech with Walnut trim and ebonised Ash sub-frame.

85cm x 30cm x 76cm high.

Guide price: £900 to £1400

### WAVE TV UNIT

Simple but effective sums up the Wave TV cabinet. Even the largest flat TV looks good set upon it while the gentle pattern inlaid from Maple, Ash, Walnut and Padauk looks good without drawing the eye from the screen. This one is in Ash with Spalted Beech on the top but other combinations have been made too. The useful drawers are push-to-open and the open shelf is just right for other audio equipment.

110cm x 42cm x 40cm high.

Guide price: £900 to £1400

### WESTPORT HOME OFFICE

This versatile unit houses PC, printer and a suspended filing system. The computer screen can be pushed down below the top when a spring loaded flap covers it automatically.

It can then be released with a foot operated pedal. This one is in Maple and Birds Eye Maple with Walnut highlights. It can be configured to suit any space.

app 180cm along each wall,  
desk height 74cm, overall height 180cm.

Guide price: £3500 to £5000

### ZEBRANO SIDE TABLE

Nothing shows off art deco like Zebano and that is certainly the case here. Utterly elegant!

Dimensions app 38cm sq. x 65cm high.

Guide price: £350 to £450 each

### ZEDESK

The Zedesk is a contemporary design made from Walnut with drawers mitred so they close right on the edges rendering them almost invisible. The base is in Maple with a laminated hoop to brace the legs.

98cm x 30cm x 76cm.

Guide price: £950 to £1200
